HYDRAFACIAL™ MD

CLARIFYING

\$200 (45 min)

Perfect for acne prone skin, complete with extractions to alleviate pore congestion and blue LED light treatment to target the bacteria known to cause acne.

BRIGHTENING/ ROSACEA

\$225 (45 min)

Targets redness, discoloration, and dark spots. Our Brightalive/Britenol Booster will minimize dark spots. Our Rozatrol Booster will target inflammation and redness.

ANTI-AGING/ RESTORATIVE

\$250 (45 min)

Focusing on regenerating collagen to reduce the appearance of fine lines and wrinkles. This treatment deeply cleanses, extracts, and hydrates the skin, utilizing super serums filled with antioxidants, peptides, and hyaluronic acid.

PLATINUM

\$300 (60 min)

This "Platinum Treatment" targets specific concerns such as anti aging and spots with a personalized Booster. Includes Lymphatic Therapy to further detoxify your skin and boost function.

HYDRAFACIAL BACK TREATMENT

Begins at \$200 (60 min)

Having trouble with breakouts and acne on your back? Thoroughly cleanses and exfoliates the skin on the back. HydraFacial Back Treatment is a great service for those suffering from "back acne".

FACIALS

DERMAPLANE

\$99//\$50 as an add on treatment (45 min)

A relaxing, manual exfoliation to remove dead skin cells. The benefits include the removal of fine, vellus hair (peach fuzz), improved texture, a more even complexion, and the enhanced penetration of skincare products.

-
- Good for all skin types
 - No downtime
 - Recommended as a monthly treatment for optimal results

PERFECTLY POLISHED STIMULATOR PEEL

\$150 (60 min)

In need of a beautiful, refreshed glow without any downtime?

Starting with a Dermaplane treatment followed by the ZO Skin Health Stimulator Peel, which penetrates your skin to give an even deeper exfoliation. This combination treatment results in the glow you've been dreaming of!

-
- Good for all skin types
 - No downtime
 - Recommended as a monthly treatment for optimal results

3-STEP CHEMICAL PEEL

\$250 (30 min)

Concerned about acne, fine lines, wrinkles, sun damage, melasma, hyperpigmentation, and/or texture? We have the perfect 3-step solution, great for all skin types! Utilizing a combination of lactic acid, salicylic acid, and TCA, the 3-Step Peel has it all. The highly concentrated retinol cream provides an added boost in the process to achieving healthier looking skin.

Although you will notice a tighter, brighter, smoother complexion after just one peel, best results are achieved in a series of 3 treatments.

-
- Good for all skin types
 - 5-7 days of social downtime
 - ***Skin consultation is required prior to scheduling this treatment
